Interest Rates and Annual Percentage Yields
For current rate information call (800) 280-0123.

FIRST RATE INTEREST BANKING

Rate Information: This Account is an interest bearing account. If the daily balance is less than \$1,500.00, the interest rate paid on the entire balance in the account will be 0.10% with an annual percentage yield of 0.10%. If the daily balance is more than \$1,499.99 the interest rate paid on the entire balance in the account will be 0.30% with an annual percentage yield of 0.30%.

The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account daily. Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$0.01 in the account each day to obtain the disclosed annual percentage yield.

Account Fees: \$8.00 waived with \$1,500.00 minimum daily balance. The following fees apply to this account: Stop Payment Fee: \$29.00 per item; Post Dated Watch Fee: \$29.00 per item; Check Processing Rejection Fee (checks purchased from non-approved company): \$1.00 per check; Returned Insufficient Item Fee: \$29.00 per item, per presentment; Overdraft Fee: \$29.00 per item, per presentment; and Print Statement Fee: \$3.00, charged on the date your statement cuts if the account is not enrolled in electronic statement (E-Statement) delivery via Internet Banking. MISCELLANEOUS FEES AND CHARGES

Other Account Information

Item Presentment: When items are presented for payment, ATM, Debit Card, and other electronic items such as Transfers and ACH withdrawals will be processed by transaction type from smallest-to-largest dollar amount, followed by checks which will be processed numerically. When a transaction is presented to the bank for payment the bank does not control the dollar amount or when it will be received. Some transactions may be received for withdrawal several days after you have authorized the transaction. If funds are not sufficient at the time the transaction posts, overdraft fees may be incurred. If you have questions about how transactions clear your account, please call us at 800-280-0123.

Overdraft and NSF Balance Information: The balance used to determine whether an item may be charged an overdraft or NSF funds fee is the Current Balance at time of posting less any holds. Holds include deposit holds where funds availability may be delayed. For more detailed information on balance definition and posting order, please visit our website at CoreFirstBank.com.

FUNDS AVAILABILITY POLICY DISCLOSURE

YOUR ABILITY TO WITHDRAW FUNDS AT COREFIRST BANK & TRUST. Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. However, funds from electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and/or we will use them to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 8 PM Central Time on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 8 PM Central Time or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Reservation of Right to Hold. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225.00 of your deposit, however, may be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

Longer Delays May Apply. We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- * You deposit checks totaling more than \$5,525.00 on any one day.
- * You redeposit a check that has been returned unpaid.
- * You have overdrawn your account repeatedly in the last six months.
- * We believe a check you deposit will not be paid.
- * There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Special Rules For New Accounts. If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit.

Funds from deposits of checks drawn on CoreFirst Bank & Trust will be available on the first business day after the day of your deposit.

Funds from all other check deposits will be available on the thirtieth business day after the day of your deposit.

Electronic Check Conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. Electronic check conversion is a payment process in which a merchant or other payee (after obtaining your authorization) uses your check to gather routing, account, and check number information to initiate a one-time EFT. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. This type of EFT transaction involving a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. A description of the transaction will appear on your statement.

Re-presented Check Transactions and Fees. You may authorize a merchant to electronically collect a fee associated with the re-resentation of a check that is returned due to insufficient or unavailable funds. The resulting fee transaction if debited as an EFT from a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. When a merchant re-presents a check electronically, that transaction is not covered by the Electronic Funds Transfer Act or this disclosure. A description of the transaction will appear on your statement.

Liability for Unauthorized VISA Debit Card Transactions. The following limitations may be applicable to your accounts, except as provided by law:

The zero liability limit described below only applies to debit cards that are United States issued VISA Consumer Cards or VISA Business Cards for transactions processed through a VISA network or, for ATM transactions, a Plus network. The zero liability limit described below does not apply to: (a) other types of VISA commercial debit cards that are not VISA Business Cards; (b) transactions using your personal identification number that are not processed through a VISA network; and (c) ATM transactions which are not sent over VISA or Plus networks.

Tell us **AT ONCE** if you believe your VISA debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your VISA debit card. Your liability for unauthorized VISA debit card transactions that are processed through a VISA or Plus network, as applicable, will be zero dollars (\$0.00). However, to the extent allowed under applicable law (see for example the **Liability for Unauthorized Transfers** paragraph below) we may hold you liable for the entire amount of an unauthorized transaction if we find, based on substantial evidence, that you have been negligent or fraudulent in the handling of your deposit account or VISA debit card.

For VISA Business Cards: An "unauthorized transaction" does not include any transaction allegedly conducted by (a) a business co-owner, (b) the cardholder or person authorized by the cardholder, or (c) any other person with an interest in or authority to transact business on the account.

To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

VISA is a registered trademark of Visa in the United States and other countries.

In addition to the limitations set forth above, the following limitations may be applicable to your consumer accounts:

Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your card, ATM PIN, POS card or PIN, Audio Response PIN, or online and/or mobile banking PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or other such means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (800) 280-0123, or write us at CoreFirst Bank & Trust, Attn: Deposit Services, 3035 SW Topeka Blvd, Topeka, KS 66611. You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

The above limitations do not apply to business accounts, unless otherwise required by law. You accept responsibility for implementing commercially reasonable security measures to safeguard your business account card, ATM PIN, or POS card or PIN, Audio Response PIN, or online and/or mobile banking PIN from unauthorized use. If you authorize employees, agents, or others to use your card or code, you shall be

liable for transactions conducted by such additional users. You are responsible for promptly examining your statement each statement period and reporting any unauthorized transaction within a reasonable time, not to exceed Sixty (60) calendar days after the statement is made available. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (800) 280-0123.

Illegal Transactions. You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

Business Days. For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

Documentation.

Periodic Statement. You will get a monthly account statement from us, unless there are no transactions in a particular month. In any case you will get a statement quarterly. You will get a quarterly statement from us on your savings account if this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit.

Terminal Receipt. You can get a receipt at the time you make a transfer to or from your account using one of our ATMs or a POS terminal. However, receipts for transactions of \$15.00 or less may not always be available.

Direct Deposits. If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (800) 280-0123 to find out whether or not the deposit has been made.

Our Liability for Failure to Make Transfers. For consumer accounts, if we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable for instance:

- * If, through no fault of ours, you do not have enough money in your account to make the transfer.
- * If the money in your account is subject to legal process or other claim restricting such transfer.
- * If the transfer would go over the credit limit on your overdraft line.
- * If the ATM where you are making the transfer does not have enough cash.
- * If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- * If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.
- * There may be other exceptions stated in our agreement with you.

For business accounts, refer to your account agreement(s) with us.

In Case of Errors or Questions About Your Electronic Transfers. For consumer accounts, telephone us at **(800) 280-0123**, write us at **CoreFirst Bank & Trust, Attn: Deposit Services, 3035 SW Topeka Blvd., Topeka, KS 66611**, or E-mail us at **corefirst@cbtks.com** as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- * Tell us your name and account number (if any).
- * Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- * Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If a notice of error involves unauthorized use of your point of sale debit card with the VISA logo when it is used as a VISA point of sale debit card, we will provide provisional credit within five (5) business days after you notify us instead of within ten (10) or twenty (20) business days. We may withhold providing this accelerated provisional credit, to the extent allowed under applicable law, if the circumstances or account history warrants the delay.

For business accounts, we will generally follow the procedures for error resolution described above, but we are not required to process a claim if you do not notify us within Sixty (60) calendar days after the statement is made available, to give provisional credit, or to investigate your claim within the time periods described above.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- * To complete transfers as necessary;
- * To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or merchant; or
- * To comply with government agency or court orders; or
- * If you give us your written permission.

Personal Identification Number (PIN). The ATM PIN, POS PIN or Audio Response PIN issued to you is for your security purposes. The numbers are confidential and should not be disclosed to third parties or recorded on the card. You are responsible for safekeeping your PIN(s). You agree not to disclose or otherwise make your ATM PIN, POS PIN or Audio Response PIN available to anyone not authorized to sign on your accounts.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future

changes to those regulations.

Enforcement. In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM, POS and Audio Response Services. You agree that we may terminate this Agreement and your use of the ATM Card, POS or Audio Response services, if:

- * You or any authorized user of your ATM PIN, POS card or PIN or Audio Response PIN breach this or any other agreement with us;
- * We have reason to believe that there has been an unauthorized use of your ATM PIN, POS card or PIN or Audio Response PIN;
- * We notify you or any other party to your account that we have cancelled or will cancel this Agreement. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

Preauthorized Electronic Fund Transfers. For preauthorized electronic fund transfers on consumer accounts, the following provisions apply:

Stop Payment Rights. If you have told us in advance to make regular electronic fund transfers out of your account(s), you can stop any of these payments. Here's how: Call us or write to us at the telephone number or address set forth above, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$ 29.00 for each stop payment order you give.

Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

For preauthorized electronic fund transfers on business accounts, you may stop payment by notifying us in such time and manner as to allow us a reasonable opportunity to act upon the stop payment order prior to acting on the transfer. If your stop payment order is made verbally, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$ _____ for each stop payment order you give.

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

SUBSTITUTE CHECK POLICY DISCLOSURE

Substitute Checks and Your Rights

What is a substitute check?

To make check processing faster, federal law permits credit unions and banks to replace original checks with "substitute checks". These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500.00 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at CoreFirst Bank & Trust Attn: Deposit Services, 3035 SW Topeka Blvd, Topeka, KS, 66611, (800) 280-0123, CoreFirst@cbtks.com. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include--

- * A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- * An estimate of the amount of your loss;
- * An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- * A copy of the Substitute Check

DEPOSIT ACCOUNT AGREEMENT AND DISCLOSURE

INTRODUCTION. In this Deposit Account Agreement and Disclosure, each and all of the depositors are referred to as "you" and "your." The Financial Institution is referred to as "we," "our," and "us." This Deposit Account Agreement contains the terms and conditions governing certain of your deposit accounts with us. As used in this document, the term "Agreement" means this document, the signature card, a rate and fee schedule (which may be in the form of a Rate and Fee Schedule, Time Certificate of Deposit, or Confirmation of Time Deposit, hereinafter called the "Schedule"), Truth in Savings disclosures, a Funds Availability Policy Disclosure, and an Electronic Funds Transfer Agreement and Disclosure, if applicable. Each of you signing the signature card for a deposit account acknowledges receipt of this Agreement, and agrees to the terms set forth in the Agreement, as amended from time to time. You agree that we may waive, in our sole discretion, any fee, charge, term, or condition set forth in this Agreement at the time the Account is opened or subsequent thereto, on a one-time basis or for any period or duration, without changing the terms of the Agreement or your obligation to be bound by the Agreement, and we are not obligated to provide similar waivers in the future or waive our rights to enforce the terms of this Agreement.

DEPOSIT ACCOUNTS. From time to time, we may offer or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. If you open multiple Accounts, you may receive Schedule information for each Account, but this Agreement will cover all your Accounts with us. Each of you will be jointly and severally liable to us for debit balances in the Account, including without limitation overdrafts and Account charges, and jointly and severally promise to pay, upon demand, any and all debit balances, all fees and charges, and our reasonable attorneys' fees and costs and expenses of collection, including but not limited to those incurred at trial and on any appeal.

INTEREST. If your Account earns interest, the following information applies: **(A) Payment of Interest.** We will pay interest at the annual rate specified on the Schedule, which does not reflect compounding ("Interest Rate"). The Schedule also sets forth the frequency of interest payments, the frequency of any compounding and crediting, the interest accrual basis, the balance on which interest will be paid, and any minimum balance requirements. **(B) Minimum Balance Requirements.** The Schedule may specify a minimum balance that you are required to maintain in your Account. If the minimum balance is not maintained during a specified period, we, at our option, may not pay interest on your Account and/or may charge a fee for that period. You should review any minimum balance requirements on the Schedule. **(C) Initial Interest Rate.** The initial interest rate is the current annual rate of interest that we will pay on the specified balance in your Account. We may pay interest at different rates, depending on the amount deposited and the type of depositor (individual, business, non-profit organization, etc.). **(D) Interest Compounding and Crediting.** The Schedule will indicate the interest compounding and crediting frequency for your Account (if any). Compounding generally means that interest is being accrued on earned interest. Interest may be compounded more frequently than interest is credited to your Account. **(E) Interest Accrual.** We may accrue interest on your Account more frequently than we pay or credit interest. The interest that has been calculated, but not paid to the Account, is called accrued unpaid interest. **(F) Changes.** We have the right to change the rates and fees in accordance with the terms of the Schedule. We also reserve the right to change any other term of this Agreement at our sole discretion.

FEES AND CHARGES. Subject to applicable law, you agree to pay us the fees and charges shown in the Schedules as are applicable to your Account or for other services performed by us. You agree the fees and charges may be changed by us from time to time and authorize us to charge your account for their payment whether or not each charge results in an overdraft of your account. Existing and future charges may be based upon the overall costs of providing account services and may or may not be based upon the direct cost or expense associated with providing the particular service involved. The charges may be based on consideration of profit, competitive position, deterrence of misuse of account privileges by customers, and the safety and soundness of the financial institution. We will notify you of the changes, to the extent required by law.

BALANCE METHODS. As used in this Agreement, the "average daily balance" method means "the application of a periodic rate to the average daily balance in the account for the period, determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period." The "daily balance" method means "the application of a daily periodic rate to the full amount of principal in the account each day."

DEPOSIT RULES. The following terms apply to deposits made to your Account: **(A) Endorsements.** You authorize us to accept transfers, checks, and other items for deposit to your Account if they are made payable to, or to the order of, any one or more of you, whether or not they are endorsed by you. You authorize us to supply missing endorsements, and you warrant that all endorsements are genuine. All checks and other items deposited to your Account should be endorsed payable to the order of us for deposit only, followed by your signature and Account number. We may permit you to deposit an electronic image or other electronic information related to a paper check through a service we provide that allows you to use a device, such as a mobile phone, to create and send to us such electronic image or information electronically. Before capturing an electronic image or electronic information of a paper check, you must endorse the check payable to the order of us "for mobile deposit only", followed by your signature and Account number, or any alternative restrictive endorsement we may allow and communicate to you. All endorsements must appear on the back of the check or other item within the first 1-1/2 inches from the left side of the item when looking at it from the front. Endorsements should be in black ink. While we may accept non-conforming endorsements, you will be responsible for any loss incurred by us due to the delay in processing or returning the item for payment. **(B) Final Payment.** All non-cash items (for example, checks) deposited to your Account are posted subject to our receipt of final payment by the payor bank. Upon receipt of final payment, the item becomes a collected item. If final payment is not received or if any item you have deposited or cashed is charged back to us for any reason, you authorize us to charge any of your Accounts, without prior notice and at any time, for the amount of the returned item, our returned item fee, any interest paid on that item, and any other fee we pay or incur. If an item to be charged back is lost in the process of collection or unavailable for return, we may rely upon a photocopy of the item or upon any other generally accepted notification of return of the item, in charging you or any of your Accounts for the amount of the returned item. We reserve the right to refuse any item for deposit into your Account. **(C) Direct Deposits.** If we offer direct deposit services for automatic preauthorized deposits to your Account of Social Security payments or automatic transfers from your other accounts with us, you must notify us at least 30 days prior to the next scheduled direct deposit or preauthorized transfer if you wish to cancel the direct deposit or transfer service. If any amount deposited must be returned to the government for any reason, you authorize us to deduct the amount from your Account as provided in the Final Payment paragraph above. **(D) Crediting of Deposits.** The Funds Availability Policy Disclosure provided to you reflects our policies relating to the availability of deposited funds. **(E) Substitute Checks and Electronic Files Pertaining to Original Checks.** If you deposit a "substitute check" (as defined in Regulation CC § Section 229.2(aaa)) or a purported substitute check into your Account, you agree to reimburse us for losses, costs and expenses we may pay or incur associated with the item not meeting applicable substitute check standards and/or from duplicate payments associated with the item. If you provide us with an electronic representation of a substitute check for deposit into your account instead of an original check, you agree to reimburse us for losses, costs and expenses we may pay or incur associated with the substitute check resulting from the electronic representation not meeting applicable substitute check standards and/or from duplicate payments associated with the item. If you provide us with an electronic image or electronic information related to a paper check for deposit into your Account, you agree to reimburse us for losses, costs, and expenses we may pay or incur associated with the electronic image or information not meeting applicable standards for such images and/or from duplicate payment associated with the check. **(F) Deposit Discrepancies.** When you make a deposit to your account, we will credit your account for the amount stated on your deposit slip and we may provide you with a deposit receipt. We reserve the right to review the deposit and confirm the amount of funds you deposited but are not required to do so. If after any review we determine that the amount credited to your account is incorrect, we may adjust your account for the amount of the discrepancy but reserve the right not to do so if the discrepancy would not be a disadvantage to you. This may be the case, for example, if the amount credited to your account was more than the amount actually deposited by you. Notwithstanding the foregoing, we are not required to adjust your account unless within one

year of the date of your account statement that shows the deposit either you notify us of the discrepancy or we discover it on our own. If you do not notify us of the error or we do not discover it on our own during this notice period, the amount credited to the account will be considered final.

WITHDRAWAL RULES. The following terms apply to withdrawals from your Account: **(A) Manner of Withdrawal.** You may make withdrawals from your Account in any manner that is permitted by us for the type of Account that you have opened. Withdrawals by mail will be posted to your Account as of the day the transaction is processed by us. We may refuse to accept any check other than standard checks provided by us, or approved by us in advance. Withdrawals and transfers from your Account may be restricted as provided in the Agreement, or in the Schedule, or by applicable law. **(B) Withdrawal Restrictions and Overdrafts.** We do not have to allow you to make a withdrawal from your Account if you don't have sufficient available funds in the Account to cover the full amount of the withdrawal. **If there are available funds to cover some, but not all, of the withdrawals or other debits to your Account on a single business day, we will post the checks for which there are sufficient available funds in sequential order by check number, from the lowest check number to the highest.** We may pay other withdrawals or debit items (such as charges) prior to paying any checks, and we may post those other withdrawals or debit items in any order we may choose at our sole discretion. If there are insufficient funds available in your Account to cover a withdrawal or debit presented against your Account, this is called an "overdraft". We will handle each overdraft in accordance with our Standard Overdraft Policy (described below) or in accordance with any other agreement you may have with us (such as an overdraft protection agreement). Even if we choose to pay one or more overdrafts, we are not obligated to cover any future overdrafts. When we determine whether payment of an item will create an overdraft, we may determine the balance of your account at any time between the time we receive the item and the deadline for us to take action on the item. We are not required to determine your account balance more than one (1) time during this period. **(C) Standard Overdraft Policy.** Unless we have agreed to a separate overdraft protection agreement with you, the following rules apply. We are not obligated to pay any overdraft. Subject to the special rules discussed below for transactions at an ATM and one-time debit card transactions, we may assess a service charge on any withdrawal created by check, in-person withdrawal, ATM withdrawal, or other electronic means that results in an overdraft, whether we pay the overdraft or not. If we pay the overdraft, you agree, immediately upon notice from us, to deposit funds sufficient to cover the overdraft plus any service charge we impose. For consumer accounts, we may not impose a service charge in connection with an overdraft that results from a transaction at an ATM or a one-time debit card transaction unless you have given us your consent to pay service charges in connection with overdrafts that result from these transactions and we have sent written confirmation of that consent to you. You may revoke that consent at any time. **(D) Notice Requirements.** Federal regulations require us to retain the right to require you to give at least seven (7) days notice in writing prior to any intended withdrawal from a savings, negotiable order of withdrawal ("NOW"), or money market account. Although we usually pay withdrawals or checks without notice on these accounts, doing so does not mean that we give up this right. **(E) Postdated Items.** You agree that when you write a check, you will not date the check in the future. If you do and the check is presented for payment before the date of the check, we may pay it or return it unpaid. You agree that if we pay the check, the check will be posted to your Account on the date we pay the check, even though the posting date is prior to the date of the check. You further agree that we are not responsible for any loss to you in doing so. We will not honor a postdated check if we receive advance notice from you at such a time and in such a manner as to afford us reasonable opportunity to act. The notice must be in writing, and it must specify the date, amount, and number of the check, along with the name of the payee. Notices are effective for the time periods stated under STOP PAYMENT ORDERS. You agree that we may return a postdated check to the presenter. **(F) Power of Attorney.** The person executing a power of attorney will be referred to as the principal and the person acting for the principal as the agent. We may refuse to comply with a power of attorney for reasonable cause, or until we receive an affidavit from the agent stating that the Power of Attorney presented is a true copy and that, to the best of the agent's knowledge, the principal is alive and that the relevant powers of the agent have not been altered or terminated. **(G) Signatures.** You recognize that we have adopted automated collection and payment procedures so that we can process the greatest volume of items at the lowest possible cost to our customers. In light of this, you agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for the sight examination of items with a face amount below an amount specified by us from time to time. You authorize us to store and use Signature Card information in any reasonable form we deem necessary, including any digitized signature capture process. If you use a facsimile signature or other form of mechanically reproduced signature (such as, but not limited to, desktop publishing, digitized, or computer software generated signature), you agree you shall have the sole responsibility for maintaining security of the facsimile or mechanically reproduced signature and the device by which the facsimile or mechanically reproduced signature is affixed and you shall bear the entire risk for unauthorized use thereof whether or not you are negligent. You agree that no facsimile or mechanically reproduced signature we have been authorized to honor may be considered a forgery or an unauthorized signature, but that such facsimile or mechanically reproduced signature shall be effective as your signature or endorsement whether or not you have been negligent. You further agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure (including reasonable attorney's fees) we or you may suffer or incur as a result of the unlawful use, unauthorized use, or misuse by any person of any such facsimile or mechanically reproduced signature or the device by which it is affixed. If you use any form of facsimile or mechanically reproduced signature device, you agree to deliver a sample to us if we request it. **(H) Preauthorized Drafts.** If we are unable to enforce presentment and transfer warranties on remotely created checks under Regulation CC, then if you voluntarily give information about your Account (such as our routing number and your account number) to a party who is seeking to sell you goods or services, and you do not physically deliver a check to the party, any debit to your account initiated by the party to whom you gave the information is deemed authorized by you. **(I) Electronic Check Conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. The merchant or other payee uses the check information, along with the transaction amount, to initiate an ACH debit transaction. The transaction is electronically transferred through the ACH system and the funds will be debited directly from your account and deposited automatically into the merchant or payee's account. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. A description of the transaction will appear on your statement from us. Checks used in these types of transactions will not be returned with your statement. This type of electronic funds transfer from a consumer account is governed by the Electronic Funds Transfer Act and subject to the Electronic Funds Transfer Agreement and Disclosure(s). **(J) Re-presented Checks.** If a merchant electronically re-presents a check returned due to insufficient or uncollected funds, that transaction is not covered by the Electronic Funds Transfer Act. Checks involved in this type of transaction will not be included with your statement. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check. If a merchant electronically collects a fee associated with the re-presentation of a check, the fee transaction is covered by the Electronic Funds Transfer Act and subject to the Electronic Funds Transfer Agreement and Disclosures if the fee is debited as an electronic funds transfer from a consumer account. A description of the transaction will appear on your statement. **(K) Check Legends.** We may disregard information on any check or item other than the signature of the drawer, the identification of the drawee financial institution and payee, the amount, the endorsements, and any other information that appears on the MICR line. In addition, we are not responsible to take action on, or for failure to notify you of restrictive language placed on checks or other items, including but not limited to terms such as, "Void after 90 Days," "Paid in Full," "Two Signatures Required," "Void Over \$100" or similar statements. In accordance with reasonable banking standards, most checks and other items are processed through automated processing and, except in limited circumstances and in our discretion, most items are not individually examined. You agree that we act within reasonable banking standards by processing most checks and other items through automated processing systems. We may agree to adhere to extraneous legends if you notify us of such legends and we have agreed in writing to honor such legends.

STALE CHECKS. We reserve the right to pay or dishonor a check more than six (6) months old without prior notice to you.

CHECKING ACCOUNTS. If your account is a checking account, the following terms may apply. If we offer NOW accounts, the account must consist solely of funds in which the entire beneficial interest is held by one or more individuals in an individual capacity, a sole proprietor, or a governmental unit, but not professional corporations or business partnerships. A NOW account may also be held by a for profit organization serving in a fiduciary or trustee capacity for an entity that is itself permitted to hold a NOW account. Otherwise, an organization may hold a NOW account only if it is operated primarily for religious, philanthropic, charitable, educational, or other similar purpose.

Checking Sub-Accounts. If you have a checking account or NOW account, your account consists of a transaction sub-account and a

savings sub-account. This structure will not affect your available balance, service charges, FDIC insurance, interest earnings, your statement or any other feature of your account. Funds not routinely needed to pay debits may be periodically transferred to the savings sub-account. A transfer from the savings sub-account back to the transaction sub-account will fund items in excess of the balance in the transaction sub-account. The remainder of your balance will be maintained in the transaction sub-account. If interest is paid on your account balance, the interest calculation will be the same for both the savings sub-account and the transaction sub-account. If interest is not paid on your account balance, the savings sub-account will be non-interest bearing.

SAVINGS ACCOUNTS. A savings account is an interest bearing account and is not a NOW account or time deposit.

TIME DEPOSITS. If your Account is a time deposit, you have agreed to keep the funds on deposit until the maturity of your Account. If your Account has not matured, any withdrawal of all or part of the funds from your Account may result in an early withdrawal penalty. We will consider requests for early withdrawal and, if granted, the penalty provided in the Schedule will apply. **(A) Penalty.** The early withdrawal penalty is calculated as a forfeiture of part of the accrued interest that has or would be earned on the Account. If your Account has not yet earned enough interest so that the penalty can be deducted from earned interest, or if the interest already has been paid, the difference will be deducted from the principal amount of your Account. For fixed rate Accounts, we will use the rate in effect for your deposit. **(B) Exceptions.** We may let you withdraw money from your Account before the maturity date without an early withdrawal penalty: (1) when one or more of you dies or is determined legally incompetent by a court or other administrative body of competent jurisdiction; or (2) when the Account is an Individual Retirement Account (IRA) established in accordance with 26 USC 408 and the money is paid within seven (7) days after the Account is opened; or (3) when the Account is a Keogh Plan (Keogh), if you forfeit at least the interest earned on the withdrawn funds; or (4) if the time deposit is an IRA or Keogh Plan established pursuant to 26 USC 408 or 26 USC 401, when you reach age 59 1/2 or become disabled; or (5) within an applicable grace period (if any).

STOP PAYMENT ORDERS. Subject to certain limitations, you may order us to stop payment on any check, automated clearing house/pre-authorized electronic funds transfer ("ACH/EFT"), or other item payable from your Account, whether drawn or authorized by you or any other account holder, as follows:

Stop Payment Against a Check or Other Item. A stop payment request against a check or other item payable from your Account will be effective if we receive the order at such time and in such manner as to afford us a reasonable opportunity to act upon the order. A stop payment order against a check or other item payable from your Account is effective for six (6) months, but it lapses after fourteen (14) calendar days if the original order was oral and was not confirmed in writing within that period. A stop payment order against a check or other item payable from your Account may be renewed for additional six (6) month periods if renewed during a period within which the stop payment order is effective.

Stop Payment Against an ACH/EFT. For consumer accounts, a stop payment order against an ACH/EFT may be honored if received at least three (3) banking days before the scheduled date of the transfer. If we honor a stop payment request against an ACH/EFT received on or within three (3) banking days of the scheduled transfer, we do so without any liability or responsibility to any party having any interest in the entry. A stop payment order against an ACH/EFT is effective until the earlier of: (i) you withdraw the stop payment order, or (ii) the debit entry is returned, or, where a stop payment order is applied to more than one debit entry under a specific authorization involving a specific party, all such debit entries are returned. We may require you to provide us written confirmation of a verbal stop order request against an ACH/EFT within fourteen (14) calendar days. Additionally, if you request us to stop all future payments pursuant to a specific ACH/EFT authorization involving a particular party, we may require you to confirm in writing that you have revoked such authorization. For business accounts, a stop payment against an ACH/EFT is effective until the earlier of (i) you withdraw the stop payment order, (ii) the return of the debit entry, or (iii) six months from the date of the stop payment order, unless renewed in writing.

All stop payment order requests will require you to provide the date, the amount, and the number of the item or authorization, together with the name of the payee. If you give us incorrect information, we will not be liable for failing to stop payment on the item or authorization. Our acceptance of a stop payment order will not constitute a representation that the item or authorization has not already been paid or that we have a reasonable opportunity to act upon the order. You may not stop payment on an official, certified, cashier's, or teller's check issued by us, or request us to stop payment if we have otherwise become accountable for the item or authorization. In addition, you may not stop payment on checks governed by a separate agreement, such as a check guaranty agreement. Further you may not stop payment on an item or authorization after acceptance of the same by us.

Based upon the type of account ownership that you have designated, the following terms and conditions apply.

INDIVIDUAL ACCOUNTS. An Individual Account is an account in the name of one depositor only. Only that person may write checks against the Account or withdraw money, regardless of who actually owns the funds.

MULTIPLE-PARTY ACCOUNTS. This section pertains to multiple party accounts:

(A) Joint Account Ownership. An account with two or more Account Holders is a joint account. Unless you designate otherwise on the Signature Card, joint Account Holders will be considered as tenants in common with no right of survivorship.

(1) Tenants in Common With No Right of Survivorship. If your Account is a joint account without right of survivorship, upon the death of one of the joint Account Holders, that person's proportionate ownership interest will pass to the estate of the deceased Account Holder. If a Payable on Death (P.O.D) account with more than one Account Holder is opened without survivorship between Account Holders, upon the death of an Account Holder, the decedent Account Holder's proportionate ownership interest in the Account is owned by the surviving P.O.D. payee(s) instead of passing to the decedent Account Holder's estate. P.O.D. designations are subject to the P.O.D. Account rules as stated below.

(2) Joint Tenants With Right of Survivorship and Not as Tenants in Common. If your Account is a joint account with right of survivorship, upon the death of one of the joint Account Holders, that person's ownership interest in the Account will immediately pass to the other joint Account Holder(s). If your Account also contains a payable on death (P.O.D.) designation, upon the death of the last remaining Account Holder, ownership of the funds belongs to the payable on death payee(s). P.O.D. designations are subject to the P.O.D. Account rules as stated below.

Each joint Account Holder, without the consent of any other Account Holder, may, and hereby is authorized by every other joint Account Holder, to make any transaction permitted under the Agreement, including without limitation: to withdraw all or any part of the account funds; to pledge the account funds as collateral to us for any obligation, whether that of one or more Account Holders or of a third party; to endorse and deposit checks and other items payable to any joint Account Holder; to give stop payment orders on any check or item, whether drawn by that Account Holder or not; to consent to or revoke consent to payment of service charges on overdrafts that result from ATM transactions or one-time debit card transactions under the Standard Overdraft Policy; and, to close the account, with the disbursement of account proceeds as instructed by the joint Account Holder. Each joint Account Holder is authorized to act for the other Account Holder(s) and we may accept orders and instructions regarding the account from any joint Account Holder. If we believe there to be a dispute between joint Account Holders or we receive inconsistent instructions from the Account Holders, we may suspend or close the account, require a court order to act, and/or require that all joint Account Holders agree in writing to any transaction concerning the account.

Your obligations under the Agreement are joint and several. This means that each joint Account Holder is fully and personally obligated under the terms of the Agreement, including liability for overdrafts and debit balances as set forth above, irrespective of which joint Account Holder benefited from the withdrawal. If you establish a joint account without the signature of the other joint Account Holder(s), you agree to hold us harmless for our reliance upon your designation of the other joint Account Holder(s) listed on our documents. Further, the Account is subject to the right of setoff as set forth below.

(B) Totten Trust Account. A Totten Trust Account is an informal trust account, reflected on our records, but without a written trust agreement, where the Account is owned by the trustee. The beneficiaries have no right to any funds in the Account during the trustee's lifetime. As the owner of the Account, the trustee may withdraw money from the Account and may, by written direction to us, change the beneficiary under the Account. When the trustee dies, the Account is owned by the named beneficiary or beneficiaries. If the Totten Trust Account is held by more than one trustee, the trustees will be subject to the rules pertaining to joint account ownership as set forth above. If there is no surviving beneficiary upon the death of the last trustee, state law will determine ownership of the funds in the Account. State law may also require payment to the Secretary of Social and Rehabilitation Services prior to payment to any beneficiary under a Totten Trust account.

(C) P.O.D. Account. A Payable on Death (P.O.D.) Account is an account payable to the Account Holder during his or her lifetime. As the owner of the Account, you may withdraw money from the Account and may, by written direction to us, change the P.O.D. payee(s) under the Account. Upon the death of the Account Holder (upon the death of the last surviving Account Holder if there is survivorship between Account Holders), the decedent Account Holder's ownership interest passes to the named P.O.D. payee(s). An Account with a Payable on Death (P.O.D.) designation is subject to the terms of this section. If the P.O.D. Account is held by more than one person, each Account Holder will be subject to the rules pertaining to joint account ownership as set forth above. If there is more than one surviving P.O.D. payee, the respective interest of each shall be deemed to be in equal shares, unless otherwise stated in the Financial Institution's deposit account records and as allowed by applicable state law. If there is no surviving P.O.D. payee upon the death of the owner, state law will determine ownership of the funds in the Account. State law may also require payment to the Secretary of Social and Rehabilitation Services prior to payment to any beneficiary under a P.O.D. account.

ADDITIONAL ACCOUNT TYPES. This section applies to other deposit account types:

(A) Formal Trust Account. A Formal Trust Account is an account held by one or more trustees for the benefit of one or more beneficiaries according to a written trust agreement. Upon our request, the trustee(s) will supply to us a copy of any trust agreement or a Certification of Trust covering the account. To the extent permitted by law, we may require additional information and documentation. We may require the trustee(s) to provide additional certifications and documentation to support any change in the trust agreement or the opening of additional accounts by the trust. We act only as custodian of the trust funds and are under no obligation to act as a trustee or to inquire as to the powers or duties of the trustee(s). The trustee(s) and/or any person opening the Account, in their individual capacity and jointly and severally, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or other trustee with respect to the authority or actions taken by the trustee(s) in handling or dealing with the Account.

(B) Uniform Transfer to Minors. If you have established the account as a custodian for a minor beneficiary under our state version of the Uniform Transfers to Minors Act or the Uniform Gifts to Minors Act, your rights and duties are governed by the Act. You will not be allowed to pledge the account as collateral for any loan to you. Deposits in the account will be held by us for the exclusive right and benefit of the minor. The custodian and/or any person opening the Account, in their individual capacity, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or other custodian with respect to the authority or actions taken by the custodian in handling or dealing with the Account.

(C) Representative Payee Accounts. Subject to applicable law, a Representative Payee Account is a type of fiduciary account in which a representative payee (appointed by the Social Security Administration) manages Social Security and Supplemental Security funds received on behalf of a beneficiary. Upon our request, the representative payee will provide sufficient documentation from the Social Security Administration indicating his or her appointment as a representative payee for the Account Holder. We may require additional documentation from the representative payee indicating his or her authority to act on behalf of the Account Holder. The representative payee does not have an ownership interest in funds in the Account. The representative payee does not have a right of survivorship in the Account on the death of the Account Holder. We act only as custodian of the funds and are under no obligation to act as a trustee or to inquire as to the powers or duties of the representative payee. The representative payee agrees to indemnify, and hold us harmless from and against any and all loss, cost, damage, liability, or exposure, including reasonable attorneys' fees, we may suffer or incur arising out of any action or claim by the beneficiary, a government entity or by any other party regarding the authority or actions taken by the representative payee in handling or dealing with the Account.

(D) Agency Account. An Agency Account is an account to which funds may be deposited and withdrawals made by an Agent designated by the owner of the funds. An Agent has full authority with regard to the Account but does not have an ownership interest in the account. An Agency Account is revocable at any time by notifying us in writing. An Agency designation may be combined with one of the other forms of account ownership.

(E) Business Accounts. If the Account is not owned by a natural person (for example, it is owned by a corporation, partnership, limited liability partnership, limited liability company, unincorporated association, etc.), then the Account Holder must provide us with evidence to our satisfaction of the existence of the Account Holder and the authority of the individuals who sign the signature card to act on behalf of the Account Holder. If the Account is owned by a natural person and used for business purposes (e.g., sole proprietorship), then the Account Holder must provide us with evidence to our satisfaction of the authority of the individual(s) who sign the signature card to act on behalf of the Account Holder. On any transactions involving the Account, we may act on the instructions of the person(s) authorized in the resolutions, banking agreement, or certificate of authority to act on behalf of the Account Holder. You agree to notify us in writing of any changes in the person(s) authorized or the form of ownership. If we receive conflicting instructions or a dispute arises as to authorization with regard to the handling of the Account, you agree we may place a hold on the Account until such conflict or dispute is resolved to our satisfaction and we will not be liable for dishonored items as a result of such hold.

(F) Fiduciary Accounts. With respect to all fiduciary accounts, including but not limited to estate accounts, guardianship accounts, representative payee accounts, and conservatorship accounts, and any Formal Trust Account, Uniform Transfers to Minors Act Account, or Agency Account, we reserve the right to require such documents and authorizations as we may deem necessary or appropriate to satisfy that the person(s) requesting or directing the withdrawal of funds held in the Account have the authority to withdraw such funds. This applies at the time of account opening and at all times thereafter.

(G) Attorney Client Trust Subject to applicable law, an Attorney Client Trust or IOLTA Trust Account is an account set up by an attorney or law firm to hold client or third party funds in trust, separate from the attorney's or law firm's funds. Upon our request, the authorized signers for an Attorney Client Trust or IOLTA Trust Account will provide documentation required by applicable state law and applicable bar association (or similar entity) rules. We act only as custodian of the trust funds and are under no obligation to act as a trustee or to inquire as to the powers or duties of the attorney or law firm as trustee(s). The attorney, law firm, or any authorized individual on the account agrees to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or third party with respect to the authority, actions, or inaction taken by the trustee(s) or authorized individuals in handling or dealing with the account. Additional account terms are governed by a separate agreement. If this is an IOLTA Trust Account, we will not permit the lawyer or law firm to receive the interest. The interest (minus applicable fees) on an IOLTA Trust Account will be remitted to the Kansas Bar Foundation, pursuant to your instructions and at your request. IOLTA Trust Accounts are used to hold an attorney's or law firm's client funds that are nominal in amount or held for short periods of time.

(H) Real Estate Broker Client Trust Accounts Subject to applicable law, a real estate broker may open account(s) to hold client or third party funds in trust, separate from the broker's funds. We act only as custodian of the funds. We are under no obligation to act as a trustee or to inquire as to the powers or duties of the broker or other authorized signer(s) as trustee(s). The broker and any authorized individual on the

account in their individual capacity and jointly and severally, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any client or third party with respect to the authority, actions or inaction taken by the broker or authorized signer(s) in handling or dealing with the Account. Upon our request, the authorized signer(s) for this type of account will provide to us any documents required by applicable law and /or real estate professional rules.

(I) Government/Municipal/Public Funds Accounts. This type of account is owned by a government or public entity. For this type of account, you agree to provide us with authorization document(s) (in a form acceptable to us) stating that we are designated as a depository for the funds of the government or public entity and such documentation shall state the individual(s) authorized to act on behalf of the government or public entity and the extent of their authority. We may rely upon such documentation until we receive written notice of a change and new authorization documents. We are not responsible for any transaction conducted by a previously authorized individual until we actually receive written notice that the authorized individual's authority has been revoked. Unless specifically stated otherwise in the authorization document(s), we can rely on one authorization for all accounts owned by the government or public entity. If required by law, you agree to enter into a Collateral Security Agreement regarding this type of account.

ASSIGNABILITY. The account established under this Agreement is not assignable or transferable except with our consent. We must approve any pledge of the Account and any such pledge remains subject to any right we have under the Agreement and applicable state and federal law. If ownership is proposed to be transferred, we may require the Account be closed and a new account opened in the name of the transferee or pledgee.

FINANCIAL INSTITUTION LIABILITY. You agree that if we do not properly complete a transaction according to the Agreement, we will not be liable in any event for losses or damages in excess of the amount of the transaction, and we will not be liable if circumstances beyond our control prevent the transaction, or the funds in your Account are or may be subject to legal process or other claim. In no event will we be liable for consequential damages. In receiving items from you for withdrawal or deposit, we act only as your agent. You are responsible for the condition of a check or item when you issue it. If a check or item is returned or payment is delayed as a result of any writing or marking that you or a prior endorser placed on the front or back of the check or item, you will be responsible for any cost and liabilities associated with such return or delay. We reserve the right to refuse any item for deposit or to reverse credit for any deposited items or to charge your Account for items should they become lost in the collection process.

RIGHT OF SETOFF. Subject to applicable law, we may exercise our right of setoff or security interest against any and all of your Accounts (except IRA, HSA, Keogh plan and Trust Accounts) without notice, for any liability or debt of any of you, whether joint or individual, whether direct or contingent, whether now or hereafter existing, and whether arising from overdrafts, endorsements, guarantees, loans, attachments, garnishments, levies, attorneys' fees, or other obligations. If the Account is a joint or multiple-party account, each joint or multiple-party account holder authorizes us to exercise our right of setoff against any and all Accounts of each Account Holder. We may not exercise our right of setoff or security interest if prohibited by the Military Lending Act.

DORMANT ACCOUNTS. If you have not made a withdrawal from, or a deposit to, your Account for an extended period of time and we have been unable to contact you, your Account may be classified by us as dormant. Subject to applicable law, we may charge a dormant account fee on the Account, and the Account will be presumed to be abandoned. In accordance with state law, funds in abandoned accounts will be remitted to the custody of the applicable state agency, and we will have no further liability to you for such funds. We reserve the right not to send statements on accounts we consider dormant, subject to applicable law.

ACCOUNT STATEMENTS. You are responsible for promptly examining your statement each statement period and reporting any irregularities to us. Each account statement will be considered to correctly reflect your transactions, such as deposits, withdrawals, credits, refunds, imposition of fees, interest or dividends, and other additions and subtractions to your Account, unless you notify us in writing within certain time limits after the statement that incorrectly reflects your transactions is made available to you. We will not be liable for any check that is altered or any signature that is forged unless you notify us within Sixty (60) calendar days after the statement and the altered or forged item(s) are made available. Also, we will not be liable for any subsequent items paid, in good faith, containing an unauthorized signature or alteration by the same wrongdoer unless you notify us within Thirty (30) calendar days after the statement and first altered or forged items were made available. You must report any other Account problem including encoding errors, and errors involving additions or subtractions (debits and credits) not otherwise covered herein, including electronic transactions not covered by the Electronic Fund Transfer Act, within Sixty (60) calendar days. If the suspected account problem involves a substitute check that you receive, you may (under some circumstances) be entitled to make a claim for an expedited refund. Such a claim may be subject to different notification timeframes. See the Substitute Check Policy Disclosure (if applicable) for further information. If you have requested us to hold your Account statements, we have the right to mail your statements if you have not claimed them within Thirty (30) calendar days. If we truncate your checks, you understand that your original checks will not be returned to you with your statement. You agree that our retention of checks does not alter or waive your responsibility to examine your statements or change the time limits for notifying us of any errors.

WHOLESALE WIRE AND ACH TRANSACTIONS. With respect to wire transfers or other transfers of funds not governed by the Electronic Funds Transfer Act, you agree to enter into and comply with our wire transfer (if applicable) agreement and to comply with our security procedures and this section. We advise you that any receiving financial institution (including us) is entitled to rely on any account or bank number you have provided even though that account or bank number may identify a party different from the person or entity you have described by name in any transfer order.

(A) Provisional Payment. Credit given by us to you with respect to an ACH credit or wholesale (wire) funds transfer entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to your Account in connection with such entry, and the party (the originator of the entry) making payment to you via such entry shall not be deemed to have paid you the amount of such entry.

(B) Notice of Receipt. We will notify you of the receipt of payments in the periodic account statements we provide to you. You acknowledge that we will not give next day notice to you of receipt of an ACH or wholesale (wire) funds transfer item.

UNLAWFUL INTERNET GAMBLING TRANSACTIONS PROHIBITED. If you are a commercial customer, you certify that you are not now engaged in, and during the life of this Agreement will not engage in, any activity or business that is unlawful under the Unlawful Internet Gambling Enforcement Act of 2006, 31 USC 5361, et seq., (the "UIGEA"). You may not use your Account or any other service we offer to receive any funds, transfer, credit, instrument or proceeds that arise out of a business that is unlawful under the UIGEA. You agree that if anyone asks us to process a transaction that we believe is restricted under the UIGEA, we may block the transaction and take any other action we deem to be reasonable under the UIGEA and this Agreement.

NOTICES. The following terms apply to notices relating to your Account. **(A) Notice of Amendments.** You agree that the terms and conditions of the Agreement, including without limitation all rates, fees, and charges, may be amended by us from time to time. We will notify you of amendments as required by applicable law. Your continued use of the Account evidences your agreement to any amendment. Notices will be sent to the most recent address shown on our records for your Account. Only one notice will be given in the case of joint account holders. **(B) Account Changes.** Any account holder or person authorized to sign on an account is required to notify us in writing if any account holder or other person authorized to sign on an account dies or is declared incompetent by a court. It is your responsibility to notify us of any change in your address or name. We are required to honor items drawn only on the listed Account name. Further, we are required to attempt to communicate with you only at the most recent address provided to us.

ACCOUNT TERMINATION. You and we agree that either of us may close your Account and terminate this Agreement at any time with or without cause. We will provide written notice to you in advance if we decide to terminate your Account relationship for any reason other than

abuse of the account relationship or to prevent a loss. You agree that advance written notice from us will be reasonable if it is mailed to your statement mailing address immediately upon account closure. You agree that in instances of account abuse or to prevent a loss, notice is reasonably given by us if mailed immediately upon account closure. You may close any of your accounts by notifying us in writing. We will consider your Account closed when the Account balance is \$0.00 and the Account has had no activity for 30 days. When an interest bearing account is closed, there may be accrued interest that has not been credited to the account. In that case, we will pay you the interest UNLESS we have told you otherwise. Further, for security reasons, we may require you to close your Account and to open a new account if: there is a change in authorized signers; there has been a forgery or fraud reported or committed involving your Account; any Account checks are lost or stolen; you have too many transfers from your Account; or, any other provision of our Agreement with you is violated. After the Account is closed, we have no obligation to accept deposits or pay any outstanding checks. You agree to hold us harmless for refusing to honor any check drawn on a closed account. In the event that we close your Account, we may mail you a Cashier's Check for the applicable remaining Account balance. The termination of this Agreement and closing of an account will not release you from any fees or other obligations incurred prior to the date upon which this Agreement is terminated and an account closed, any fees assessed by us in the process of closing an account, or from your responsibility to maintain sufficient funds in an account to cover any outstanding checks or other debit items.

GOVERNING LAW. This Agreement shall be governed by and construed in accordance with all applicable federal laws and all applicable substantive laws of the State of Kansas in which we are located and where you opened your account. In addition, we are subject to certain federal and state regulations and local clearing house rules governing the subject matter of the Agreement. You understand that we must comply with these laws, regulations, and rules. You agree that if there is any inconsistency between the terms of the Agreement and any applicable law, regulation, or rule, the terms of the Agreement will prevail to the extent any such law, regulation, or rule may be modified by agreement.

SYSTEMS AND SOFTWARE. We shall not be responsible to you for any loss or damages suffered by you as a result of the failure of systems and software used by you to interface with our systems or systems and software utilized by you to initiate or process banking transactions whether such transactions are initiated or processed directly with our systems or through a third party service provider. You acknowledge that you are solely responsible for the adequacy of systems and software utilized by you to process banking transactions and the ability of such systems and software to do so accurately.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

CREDIT VERIFICATION. You authorize us to request and obtain one or more credit reports about you from one or more credit reporting agencies for the purposes of considering your application for the Account, reviewing or collecting any Account opened for you, or for any other legitimate business purpose. You authorize us to disclose information about your account to a credit reporting agency if your Account was closed because you have abused it.

MISCELLANEOUS PROVISIONS. If you or your Account becomes involved in any legal proceedings, your use of the Account may be restricted. You agree not to use the Account in any illegal activity. We shall be entitled to act upon any legal process served upon us which we reasonably believe to be binding, with no liability to you for doing so. You understand that supervisory personnel may randomly monitor customer service telephone conversations to ensure that you receive accurate, courteous, and fair treatment. If you ask us to follow instructions that we believe might expose us to any claim, liability, or damages, we may refuse to follow your instructions or may require a bond or other protection, including your agreement to indemnify us. You agree to be liable to us, to the extent permitted by law, for any loss, costs, or expenses that we may incur as a result of any dispute or legal proceeding involving your Account. You authorize us to deduct any such loss, costs, or expenses from your Account without prior notice to you or to bill you separately. This obligation includes disputes between you and us involving your Account and situations where we become involved in disputes between you and an authorized signer, a joint owner, or a third party claiming an interest in your Account. It also includes situations where any action taken on your Account by you, an authorized signer, a joint owner, or a third party causes us to seek the advice of an attorney, whether or not we actually become involved in a dispute. Any action by us for reimbursement from you for any costs or expenses may also be made against your estate, heirs and legal representatives, who shall be liable for any claims made against and expenses incurred by us. If a court finds any provision of the Agreement to be invalid or unenforceable, such finding shall not make the rest of the Agreement invalid or unenforceable. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of the Agreement in all other respects shall remain valid and enforceable.

ADDITIONAL PROVISIONS.

Bank May Amend This Agreement

You agree that the Bank may amend this Agreement from time to time, including amending this Agreement to add new terms or remove terms. We will notify you of amendments as required by applicable law. Your continued use of the Account evidences your agreement to any amendment.

Agreement to Arbitrate. You agree that any Dispute will be resolved by arbitration in accordance with federal law (including the Federal Arbitration Act) and the laws of the state of Kansas.

Arbitration Defined. Arbitration is a means of having an independent third party resolve a Dispute. The term "Dispute" is given its broadest possible meaning and includes, without limitation, all causes of action, claims, controversies, demands, and/or disputes of any kind based on any legal or equitable theory (tort, contract, or otherwise), and regardless of the type of relief sought (i.e., money, injunctive relief, or declaratory relief) and whether such Dispute is based on a federal or state constitution, statute, ordinance, regulation, contract, or common law. A Dispute includes not only any claim, dispute or controversy directly between you and Bank, but also any such matter with respect to anyone connected with you or claiming through you, such as an Account holder, Account beneficiary, trustee, guardian, executor, administrator, conservator, custodian, heir or any other representative or agent including but not limited to authorized users of your Account. A Dispute includes initial claims, counterclaims, cross-claims and third-party claims. A Dispute does not include any issue concerning the validity, enforceability, or scope of the waiver of class action lawsuit and class-wide arbitration contained in this Arbitration Provision which will be adjudicated by a state or federal court of competent jurisdiction.

It is your responsibility to provide Bank with updated information regarding your address. IF THE ARBITRATOR FAILS OR REFUSES TO ENFORCE THE WAIVER OF CLASS-WIDE ARBITRATION, THE PARTIES AGREE THAT THE ISSUE OF CLASS-WIDE ARBITRATION WILL BE SUBMITTED TO A COURT OF COMPETENT JURISDICTION AND WILL BE DECIDED BY THE COURT. Discretionary Overdraft Coverage Disclosure
(Applies to All Eligible Consumer and Commercial Accounts¹)

It is the policy of CoreFirst Bank & Trust (“CoreFirst,” “Bank,” “us” or “we”) to comply with applicable laws and regulations, and to conduct business in accordance with applicable safety and soundness standards. The information in this document is intended to help customers (“you”) understand what happens if your account is overdrawn and explain our Discretionary Overdraft Coverage. This disclosure and the Bank’s Discretionary Overdraft Coverage apply to both eligible consumer and commercial accounts. Understanding the concepts of overdrafts and non-sufficient funds (NSF) can help you avoid being assessed fees or charges.

At times, unanticipated expenses or unforeseen problems can leave you with too little cash in your checking account. Having a check returned due to insufficient funds can be a costly, inconvenient and potentially embarrassing experience. We do not encourage overdrafts. As always, we encourage you to manage your finances responsibly and always be aware of how much money you have in your account, how much you write in checks, automatic withdrawals you have authorized, and how much you purchase with your debit card. Overdrafts should not be used to pay ordinary or routine expenses and you should not rely on overdrafts as a means to cover these expenses. However, we want to help you potentially avoid incurring additional merchant fees and possible damage to your credit history that might result if an item or transaction is returned unpaid. That’s why we provide a special overdraft service for Bank customers called Discretionary Overdraft Coverage.

What is an overdraft and how is an overdraft determined?

Generally, an overdraft occurs when there is not enough money in your account to pay for a transaction, but we pay (or cover), in our discretion, the transaction anyway. An NSF transaction is slightly different. In an NSF transaction, we do not cover the transaction. Instead, the transaction is rejected and the item or requested payment is returned to the merchant unpaid. In either situation, we can charge you an Overdraft Fee or a Returned Insufficient Item Fee, depending on whether the item is covered as an overdraft or returned unpaid. Please remember that we are not obligated to pay any item presented for payment if your account does not contain sufficient collected funds.

It is important to remember that your account has two balances: the **Available Balance** and the **Current or Ledger Balance** (sometimes also called the “actual” or “collected” balance). Importantly, your Available Balance may not be the same as your account’s Current or Ledger Balance. Your account’s Current or Ledger Balance only includes transactions that have settled up to that point in time, such as deposits and payments that have posted to your account. The Current or Ledger Balance does not include outstanding items (such as checks that have not yet cleared and electronic transactions, including debit card transactions, which have been authorized but which are still pending). The ending statement balance reflected on your periodic statement is the Current or Ledger Balance for your account as of the statement date. **The Bank uses your Current or Ledger Balance at the time of transaction posting or settlement when determining whether any transaction will cause your account to overdraw and for charging Overdraft and Returned Insufficient Item Fees.**

In contrast, your Available Balance takes transactions that have been authorized, but not yet settled (i.e., preauthorized holds), and subtracts them from the Current or Ledger Balance. When calculating your Available Balance, checks you have written that have been presented and not posted and any “holds” placed on deposits or transactions that have not yet cleared are also subtracted from the Current or Ledger Balance. **The Bank uses your Available Balance to authorize or decline ATM and everyday debit card transactions.**

The Bank will generally place a hold on your account for any ATM or everyday debit card transactions that are authorized until the transaction settles. ATM and everyday debit card transactions usually settle within three business days after the transaction is authorized, but may take longer. The amount of the hold will reduce your Available Balance (but not your Current or Ledger Balance) for the amount authorized, or as permitted under applicable payment network rules. Holds on authorized ATM and everyday debit card transactions will be removed prior to settlement where required by applicable payment network rules. For example, assume you have a Current or Ledger Balance of \$100 and an Available Balance of \$100. If you use your debit card at a merchant for \$30, that merchant may ask the Bank to pre-authorize the transaction. In that case, the Bank will reduce your Available Balance by \$30 because once the Bank authorizes the transaction, the Bank is obligated to pay. Your Current or Ledger Balance would still be \$100 because this transaction has not yet posted or settled to your account, but your Available Balance would be \$70 because you and the Bank have committed to pay the merchant \$30. When the merchant submits the transaction for payment (which could be several days later), the Bank will post or settle the transaction to your account and your Current or Ledger Balance will be reduced by \$30 at that time.

Please also note that on debit card purchases, merchants may request a temporary hold on your account for a specified sum of money when the merchant does not know the exact amount of the purchase at the time the card is authorized. The amount of the temporary hold may be more or less than the actual amount of your purchase. Some common transactions where this occurs involve purchases of gasoline, hotel rooms, or meals at restaurants. When this happens, our processing system cannot determine that the amount of the hold exceeds the actual amount of your purchase. This temporary hold, and the amount charged to your account, will eventually be adjusted to the actual amount of your purchase,

¹ Applies to all eligible consumer and commercial account types, with the exception of accounts where the primary owner is a minor, fiduciary or escrow accounts.

but it could be seven business days, or even longer in some cases, before the adjustment is made. Until the adjustment is made, your Available Balance, but not your Current or Ledger Balance, will be reduced by the amount of the temporary hold.

Please remember that for all pre-authorizations or temporary holds, the fact that the Bank may put a hold on your Available Balance does not mean the authorization or hold is set aside and made available to pay the specific transaction authorized. Instead, the hold is simply a reduction in your Available Balance based on the fact that we have authorized a transaction and, therefore, you and the Bank are obligated to pay it when presented for posting or settlement.

Please remember that, for consumer accounts only, we will not charge fees for overdrafts caused by ATM or everyday debit card transactions if you have not opted-in to that additional service (described below). **For consumer accounts that have opted-in to this additional service and for all commercial accounts, please be aware that the fact that an ATM or everyday debit card transaction was authorized does not mean that you will not incur any fees for that same transaction at the time the transaction posts or settles to your account. Please remember that the Bank uses your Available Balance to authorize or decline ATM and everyday debit card transactions, however, the Bank uses the Current or Ledger Balance at the time all types of transactions post or settle to your account (not at transaction authorization) when determining whether any transaction will cause your account to overdraw and for charging Overdraft and Returned Insufficient Item Fees.** This means that you may be assessed Overdraft and/or Returned Insufficient Item Fees on each item, each time the item is presented to us for payment, based on your Current or Ledger Balance at the time of settlement (not authorization), even though your Available Balance may show a different balance amount at that time due to the inclusion of pending and hold items. Note that an item may be presented to us by the merchant for payment more than one time, resulting in multiple fees on the same item. We have no control over that. In addition, due to the delay between authorization of a transaction and posting or settlement of the transaction to your account, this also means that you may be assessed an Overdraft and/or Returned Insufficient Item Fee on each item, each time the item is presented to us for payment, based on your Ledger or Current Balance at the time of settlement, even though your account may have had a sufficient Available Balance at the time of authorization due to intervening transactions between authorization and settlement. Note again that an item may be presented to us by the merchant more than one time for payment, resulting in multiple fees on the same item. We have no control over that.

Keeping track of your balance is important. You can review your Available and Current or Ledger Balance in a number of ways including reviewing your periodic statement, reviewing your balance online, accessing your account information by phone, or coming into one of our branches. The arrangement of balance and/or transaction alerts for your account is also available through online and mobile banking.

How are items posted to my account?

The Bank reserves the right to decide the posting order of items. The processing order of these items is important because if there is not enough money in the account to pay for the items in the order they are processed in accordance with the processing order, there may be an overdraft on your account which may result in Overdraft or Returned Insufficient Item Fees or an increase in the amount of these fees.

No posting order is neutral to all parties to a transaction and understanding this fact, the Bank has chosen to post items in the following general order: (1) real-time debits are posted immediately upon request, including (a) outgoing wire transfers, (b) items deposited to your account that are returned to us unpaid in order of amount, from smallest to largest, and (c) fund transfers to another CoreFirst account that are processed by a bank employee; (2) deposits (subject to our "[Funds Availability Policy](#)") and other credits to your account received prior to the cutoff time; (3) ATM card transactions and debit card transactions are posted in order of amount, from smallest to largest, in groups with other like transactions, including: (a) ATM cash withdrawals made at CoreFirst ATMs ("Telly"), (b) debit card transactions, (c) ATM cash withdrawals made at non-CoreFirst ATMs ("foreign ATMs"), and (d) other ATM debit transactions (e.g., transfers); (4) teller cash withdrawals (checks you write that are cashed at one of our branches) are posted in order of amount, from smallest to largest; (5) other electronic debits are posted in order of amount, from smallest to largest, in groups with other like transactions, including (a) internal automatic loan payment transfers, (b) internal automatic transfers, including recurring Automatic Transfer Requests, Online Banking transfers, and Telephone (CBIL) transfers, and (c) ACH debits, which may include checks that have been converted to electronic transactions; (6) checks presented against your account (including paper checks, substitute checks created from paper checks, and remotely-created drafts) are posted in check number order; and (7) Bank fees, with general account fees posted last and fees generated due to a transaction (e.g., ATM fees, Overdraft Fees, etc.) posted immediately following the transaction that caused the fee and prior to other transactions.

The Bank reserves the right to change the payment order if the Bank suspects fraud or possible illegal activity affecting the account. The Bank also reserves the right to post in any order, as permitted by law. Please note that account statements do not necessarily report debits and credits in the order that we posted them to an account.

Knowing when funds you deposit into your account will be made available is another important concept that can help you avoid being assessed fees or charges. Please see our "[Funds Availability Policy](#)" for information on when different types of deposits will be made available for withdrawal. For those accounts to which our Funds Availability Policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. An item may be returned after the funds from the deposit of that item are made available for withdrawal. In that case, we will reverse the credit of the item. We may determine the Current or Ledger Balance in your account for the purpose of deciding whether to return an item for insufficient funds and assessing fees at any time between the times we receive the item and when we

return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the Current or Ledger Balance at the subsequent time will determine whether there are insufficient available funds.

What is Discretionary Overdraft Coverage?

The Bank's Discretionary Overdraft Coverage is a discretionary overdraft service available to eligible checking accounts. If your account qualifies and is in "good standing" (described below), we will consider, without obligation on our part, paying items for which your account has insufficient or unavailable funds up to an assigned overdraft limit ("Overdraft Coverage Limit"), instead of automatically returning those items to the merchant unpaid.

As a discretionary courtesy, eligible checking accounts (both consumer and commercial) may receive an Overdraft Coverage Limit of up to a negative balance of \$100 within one (1) business day of account opening. For eligible checking accounts (both consumer and commercial) that are (a) open at least thirty-five (35) days for new customers and (b) in "good standing" (described below), then the Overdraft Coverage Limit may be increased up to a negative balance of \$1,000. In addition, for eligible consumer accounts only that are (a) open at least thirty-five (35) days for new customers, (b) in "good standing," and (c) the account deposit totals in the current and previous statement cycle are at least \$3,000, then the Overdraft Coverage Limit may be increased up to a negative balance of \$1,500. The Overdraft Coverage Limit applicable to your account may be increased or decreased for certain eligible accounts at any time, in the Bank's sole discretion, including, but not limited to, due to consideration of the age of the account, deposit balances, deposit regularity, previous overdraft activity, account status relating to any legal or administrative order or levy, or status of loan obligations with the Bank.

Please note that the amount of any overdraft plus any and all fees and charges, including without limitation the Overdraft and Returned Insufficient Item Fees on each item, each time the item is presented to us for payment (as set forth in our Fee Schedules and Account Agreement), will be deducted from your Overdraft Coverage Limit. Note once again that an item may be presented to us by the merchant more than one time, resulting in multiple fees on the same item. We have no control over that. Please also note that it may be possible that your account will become overdrawn in excess of the Overdraft Coverage Limit as a result of the assessment of a fee. Of course, we can't promise to pay every overdraft and we are never obligated to pay your overdrafts, even if your account is in "good standing" and even though we may have previously paid overdrafts for you. **This service represents a purely discretionary privilege or courtesy that we may provide to you from time to time and which may be withdrawn or withheld by us at any time, without prior notice, reason or cause.**

The Bank's Discretionary Overdraft Coverage applies to a variety of transactions, including checks and other transactions made using your checking account number, automatic bill payments, ATM transactions and everyday debit card transactions. However, for consumer accounts, we will not include ATM and everyday debit card transactions within our consumer Discretionary Overdraft Coverage or the Overdraft Coverage Limit without first receiving your affirmative consent to do so (described below). Absent your affirmative consent, ATM and everyday debit card transactions generally will not be authorized under the Discretionary Overdraft Coverage for consumer accounts.

What does Discretionary Overdraft Coverage cost?

There are no additional costs associated with Discretionary Overdraft Coverage, unless you use it. Under the Bank's Discretionary Overdraft Coverage, you will be charged **on each item, each presentment** our standard Overdraft Fee or Returned Insufficient Item Fee set forth in our Fee Schedule (currently each fee is \$29.00 on each item, each presentment), depending on whether the item is covered or returned unpaid based on your Current or Ledger Balance at the time of posting or settlement.

There is no limit on the number of Overdraft and Returned Insufficient Item Fees we may charge to your account. However, for consumer accounts only, the Bank will not charge more than six (6) total Overdraft and Returned Insufficient Item Fees combined on a daily basis. There is no limit on the number of Overdraft and Returned Insufficient Item Fees that may be charged to commercial accounts on a daily basis. In addition, for both consumer and commercial accounts, the Bank will not charge an Overdraft Fee for items that overdraw an account by \$5.00 or less. No interest will be charged on the overdraft balance. To help you manage your account, the total fees you have paid for items (both paid and returned) during the current month and for the year-to-date will be reflected on your monthly account statement.

As explained above, please be aware that the same item or transaction may be presented and returned multiple times for payment, resulting in multiple fees. The Bank does not monitor or control the number of times an item is presented for payment and **there is no limit on the number of Returned Insufficient Item Fees that can be assessed for an item, if the same item is presented for payment multiple times**. The Bank may charge a Returned Insufficient Item Fee as set forth in our Fee Schedule each time an item is presented and returned if the Current or Ledger Balance in your account is not sufficient to cover the item at the time of posting or settlement, regardless of the number of times the item is presented and returned, or if the item is later covered by the Bank, in its discretion, as an overdraft. **This means that you could incur multiple Returned Insufficient Item Fees, as well as an Overdraft Fee, for the same item if it is presented and returned multiple times for payment.**

If there is more than one (1) owner on the signature card, each owner, and agent, if applicable, drawing/presenting the item creating the Overdraft or Returned Insufficient Item Fee(s) shall be jointly and severally liable for such fee(s). Each fee will be due and payable upon demand.

We may use subsequent deposits, including direct deposits of Social Security or other government benefits, to cover any overdrafts and Overdraft and Returned Insufficient Item Fees.

How does the Discretionary Overdraft Coverage work?

As long as you maintain your account in “good standing,” we may approve your overdraft items up to the Overdraft Coverage Limit as a non-contractual courtesy. Remember, whether your overdrafts will be paid or not is at our sole discretion and we reserve the right not to pay your overdraft items at all times. The fact that we may honor withdrawal requests that overdraw the Current or Ledger Balance of the account does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past.

For consideration for Discretionary Overdraft Coverage and the Overdraft Coverage Limit, you must maintain your account in “good standing”, which includes at least the following:

- Bringing your account balance to a positive balance within a thirty-five (35) day period;
- Demonstrating consistent deposit activity and managing your account in a responsible manner;
- Not being in default on any loan or other obligation to the Bank;
- No outstanding balance is owed under Fresh Start or other overdraft repayment plans; and
- Not being subject to any legal or administrative order or levy, such as bankruptcy or tax lien.

If your account is not in “good standing,” we will typically return any items or transactions that would overdraw your account and assess a Returned Insufficient Item Fee on each item, each time the item is presented to us for payment. Note once again that an item may be presented to us by the merchant more than one time, resulting in multiple fees on the same item. We have no control over that. Please also note that the Bank reserves the right to limit participation in Discretionary Overdraft Coverage to one account per household or per taxpayer identification number, and to discontinue this service and return any overdrawn items at any time without prior notice.

What if I want the Bank to authorize and pay overdrafts on my ATM and everyday debit card transactions for my consumer accounts?

For consumer accounts only, we will not charge fees for overdrafts caused by ATM withdrawals or everyday debit card transactions, if you have not also opted-in to that additional service. Please see our “[*Overdraft Services Disclosure & Consent Form*](#)” for information on how to opt-in or opt-out of that service. Absent your affirmative consent (opt-in), ATM and everyday debit card transactions generally will not be authorized if your Available Balance in your consumer account is insufficient. A consumer customer who does not affirmatively consent (opts-out) to overdraft protection for the payment of ATM and/or everyday debit card transactions, agrees to not overdraw their account for ATM and everyday debit card transactions (\$0 debit card overdraft limit).

If you would like access to Discretionary Overdraft Coverage for ATM withdrawals and everyday debit card purchases for your consumer account, you’ll need to opt-in to that additional service, called “Cover My Card”, by contacting your local branch, calling 800-280-0123, or visiting <http://www.corefirstbank.com/>. If you opt-in, you may cancel at any time. If you do not opt-in, you can do so later at any time.

How do I know when I have an overdraft or use my Overdraft Coverage Limit?

You will receive an Overdraft notice each time items are paid where there was an insufficient balance in your account, including notice of the Overdraft Fees charged against your account. You will need to subtract the total fees when balancing your checkbook.

What if I go beyond the Overdraft Coverage Limit?

Overdrafts that exceed the Overdraft Coverage Limit will typically be returned unpaid to the payee and a Returned Insufficient Item Fee will be charged on each item, each time the item is presented for payment to your account. Remember that we have no control over how many times a merchant presents an item for payment. A Non-Sufficient Funds (NSF) notice will be sent to notify you of any items that are returned unpaid. You will need to subtract the total fees when balancing your checkbook.

How quickly must I repay the items overdrawing my account?

You should make every attempt to bring your account to a positive end-of-day balance as soon as possible, and are required to bring your account to a positive balance within a thirty-five (35) day period to remain in “good standing”. If you are not able to bring your account to a positive balance within a thirty-five (35) day period, your Overdraft Coverage Limit may be suspended and you may receive notice from the Bank that any additional items will be returned unpaid and Returned Insufficient Item Fees will be assessed on each item, each time the item is presented for payment, until you bring your account to a positive balance.

What are some other ways I can cover overdrafts at the Bank?

The best way to avoid overdrafts and fees is to keep track of your Available Balance and your Current or Ledger Balance by entering all checks, debit card purchases, and ATM withdrawals in your check register, reconcile your checkbook regularly, and manage your finances responsibly. You can also take advantage of the Bank's account alerts. If you bank online or use our mobile banking services, you may establish an alert threshold to let you know when your balance is nearing your alert threshold. However, if a mistake occurs, the Bank offers additional ways to cover overdrafts in addition to Discretionary Overdraft Coverage, such as a link to another account or a line of credit (subject to credit approval). To learn more about these other ways to cover overdrafts, contact us at 800-280-0123 or visit one of our branches.

What if I do not want Discretionary Overdraft Coverage on my account?

The Bank's Discretionary Overdraft Coverage is always optional. If you prefer that the Bank not cover any items or transactions as overdrafts when there are not sufficient funds in your account, you can opt-out or remove Discretionary Overdraft Coverage from your account at any time by contacting your local branch or calling 800-280-0123. Please note that, if you opt-out or remove Discretionary Overdraft Coverage from your account, any items or transactions that would overdraw your account will generally be returned unpaid and a Returned Insufficient Item Fee of \$29.00 on each item, each time the item is presented for payment, will be imposed. An item may be presented to us by the merchant more than one time, resulting in multiple fees on the same item. We have no control over that.
