

July 9, 2020

The welfare of our community is at the center of all that we do. Recent changes in the overall health of Northeast Kansas has prompted us to move our locations back to **drive-thru transactions ONLY, effective July 13, 2020**. You can make an appointment to visit your favorite CoreFirst branch if you need to open an account, apply for a loan or visit your safe deposit box. Making an appointment is as easy as calling, 785-267-8900 or 1-800-280-0123. You can also schedule an appointment online. This modification to our branches helps keep you safe, us safe and our neighbors safe.
