

November 20, 2020

Recent changes in the overall health of Northeast Kansas has prompted us to make modifications to our branch operations. These changes help keep you safe, us safe and our neighbors safe.

Effective November 27, 2020:

- Branch drive-thrus will be open regular branch hours.
- Lobby access will be available by **appointment only**. You can make an appointment to visit your favorite CoreFirst branch if you need to open an account, apply for a loan or visit your safe deposit box. All other transactions can be facilitated in the drive-thru. Making an appointment is as easy as calling, 785-267-8900 or 1-800-280-0123. You can also schedule an appointment online.
